## THEFT & DAMAGE WAIVER OPTION

The Terms and Conditions of Hire stipulate that the customer is responsible for all equipment whilst on hire. This means that the customer is liable for all costs that are incurred as a result of theft, loss or damage to equipment.

In order to reduce the level of risk and liability for the customer, Frontline Rentals is offering a Theft & Damage Waiver. The Theft & Damage Waiver covers the customer for theft and damage caused to equipment through Accidental Loss or Damage. Accidental Loss or Damage encompasses use of the equipment in a manner for which it was intended.

The Theft & Damage Waiver is optional and is charged at a rate of 10% of hire charges. Should there be any theft or damage the customer is liable for an excess of \$2,500 for theft and \$1,000 or 1% of the sum insured, whichever is the greater, for any damage where insurance is claimed by Frontline Rentals. Should the damage be under the excess amount, then the customer is liable to pay for the repair costs.

Frontline Rentals will automatically cover all customers, and charge the 10% rate, unless the customer elects prior to the commencement of the hire not to accept the Theft & Damage Waiver. If the customer elects not to accept the Theft & Damage waiver option they accept full responsibility for all damaged and missing equipment.

We do NOT wish to take up the Theft & Damage Waiver Option. We agree that we will pay for any equipment lost, stolen, or damaged whilst on hire, and all associated costs. We also confirm that our own insurance policy will cover your equipment on hire, and we will supply a certificate of insurance to confirm insurance cover.
